About the HCANZA Member Insurance Offer

This insurance is offered exclusively for the benefit of HCANZA members. It has been designed to provide broad and cost effective protection for the risks to which members may be exposed. This includes:

Medical Liability / Professional Indemnity – providing coverage for your liability to compensate third parties for injury or loss arising from your Health Coaching advice.

General Liability – providing coverage for your liability to compensate third parties for accidental injury or damage arising from your Health Coaching business operations.

Legal Defence Costs – to ensure that you have legal support to defend allegations made against you arising from your Health Coaching advice or business operations.

Members that take up the insurance offer will be provided with their own individual policy with coverage as noted above and to the limits set out below.

Medical Liability / Professional Indemnity -
*\$1,000,000 limit; **General Liability** -
*\$20,000,000 limit

Any claims will incur a *\$500 excess.

*policy limits and excess above will be the NZD equivalent for any NZ based members

Who can take up the offer? Any fee paying member of HCANZA may take advantage of the offer.

What is the cost? There is now a flat annual cost of AUD\$300.00 for any member with income arising from their Health Coaching business of up to \$250,000 per annum.

To conserve HCANZA member buying power all policies are structured to have a common expiry date on the 30th September. Members are able to apply to participate in the insurance arrangement at any time and short term policy coverage may be possible with some discounting of premium allowed for.

How do I access the insurance? You'll simply need to complete a short proposal form and send this to ghay@barrack.com.au for processing. You'll then be issued with an invoice and evidence of coverage which will then enable you to complete the membership application process with HCANZA.
