How do I access the insurance?

To get quotes confirmed, a proposal form will need to be completed. The best thing to do, is to contact Stacey from ICIB Brokerweb (below) and advise her that you are a HCANZA member. Stacey will email you the proposal form which needs to be completed. This will enable Stacey to provide a formal quotation to you based on your individual circumstances. This is particularly important especially in terms of overseas operations.

What happens next?

Once you complete and send the proposal to Stacey, a quotation will be arranged and sent to you for review. Once accepted, you will then be issued with an invoice and evidence of coverage which will then enable you to complete the membership application process with HCANZA.
